

# Van Nhu NGUYEN

LOCATION: Södertälje, Sweden  
PHONE: +46 70 390 07 39  
EMAIL: [nguyen.van.nhu@vnmedia.se](mailto:nguyen.van.nhu@vnmedia.se)  
LINKEDIN: <https://www.linkedin.com/in/nguyenvannhu>

An experienced developer and fast learner, passionate about solving complex problems. A team player who strives to make things easier for people around me. I have been programming since 1998 and working professionally since 2007. I can work in most parts of the stack, but I prefer backend development. I like to spend time with my family or go running in my spare time.

Keywords: Kotlin, Golang, Python, Java, Node.js, JavaScript, PostgreSQL, MySQL, Spring Boot, Gin, Pyramid, Flask, Celery, Next.js, React, Docker, GCP, AWS.
