EMAIL: nguyen.van.nhu@vnmedia.se
LINKEDIN: https://www.linkedin.com/in/nguyenvannhu

An experienced developer and fast learner, passionate about solving complex problems. A team player who strives to make things easier for people around me. I have been programming since 1998 and working professionally since 2007. I can work in most parts of the stack, but I prefer backend development. I like to spend time with my family or go running in my spare time.

Keywords: Kotlin, Golang, Python, Java, Node.js, PostgreSQL, MySQL, Spring Boot, Micronaut, Gin, Pyramid, Flask, Celery, Flutter, Next.js, React, Docker, GCP, AWS.
